York University Transcript Legend

Under the statutes of the province of Ontario, Canada, York University was established as an accredited, degree-granting postsecondary institution and is a full member of the Association of Universities and Colleges of Canada.

Undergraduate		Graduate																																																																																																																																																																																																																																									
<p>Grading systems are defined in the Faculty-specific section of the York University Undergraduate Calendar which is published online at registrar.yorku.ca/calendars</p> <p>Credit Weight</p> <p>Half courses (3.0 credits) normally meet at least three hours weekly during the 12 weeks in either the fall or winter term, except for Osgoode Hall Law School which normally meets for 14 weeks of instruction plus an examination period. Summer and winter/summer session courses have equivalent total hour workloads but are concentrated into a shorter period of time.</p> <p>As of the 1997-1998 academic year, York's course numbering system changed from .0 preceding the credit weight to following the credit weight (i.e. .03 to 3.0).</p> <p>Class Size / Class Average</p> <p>Class size indicates the number of students registered in a class. Class average is based upon the grades, including failures, received by all students taking the class on a graded basis and is determined as follows:</p> <table><thead><tr><th>Grade</th><th>Point</th><th>Average</th><th>Letter Grade</th></tr></thead><tbody><tr><td>A+</td><td>8.5 -
